

Special time for prayer regarding the Conference in November.

I am asking that many people ALL over will unite in agreement and unified prayer regarding the upcoming Conference on Nov. 1-6. For the next 2 months, set aside 6- 10 a.m. every Saturday to pray and seek the Lord as a body for His will to be fulfilled regarding this Conference. Pray as much of these 4 hours as you can. If you are able to be in a quiet place, this is wonderful and if this is not possible, this is ok. If you have to work or have other responsibilities, just keep the entire conference in mind during these 4 hours as much as it is possible.

Here are some things that need to be prayed about:

1. People from Britain to sign up (It is God's will for Britain) Right now, we have about 12 nations represented.
2. Pray that every single person that is supposed to be there, will be there and they will not allow mammon to speak to them and block them from coming!
3. Safety for every person coming by plane, car or train, etc.
4. Pray that the Holy Spirit will receive complete honor during this entire Conference and that every hindrance in the hearts and in the spiritual realm will be removed
5. Finances to come in for pastors and leaders to attend, especially in third world countries
6. Brokenness, humility and honesty in all the hearts of everyone present at Conference
7. Great dependence and anointing for the speakers and each person that will minister and share in any way!
8. The music will be saturated with the Presence of JESUS and the musicians and singers will minister with the faith of Jesus in them.

9. The entire grounds (the premises) will be full of the manifest Presence of CHRIST! for the entire time of the Conference right from the start.
10. Pray that every heart will sincerely desire to please God during and especially after the Conference.
11. We will represent Jesus to the workers at the Conference and to the hotels and the surrounding towns.
12. That this powerful stronghold of hatred towards weakness will be thoroughly exposed and overthrown during this Conference!
13. Many lives will be totally changed forever during this Conference and they will absolutely never be the same!
14. There will be a clear revelation of the beauty and preciousness of the Body of Christ during this Conference! We will see our true and eternal family from the Father's heart!
15. Anything else that the Holy Spirit will reveal to you in the next 2 months!!
16. Pray for all translators!

GOD bless you for your love, unity and sacrifice for this divinely ordained Conference from Nov. 1 - 6!
In the Bond of Calvary's love,
Greg Violi
